A career as a financial advisor can be very rewarding. As you assist your clients achieve their financial and lifestyle goals, you are also able to achieve your own. If you are looking for a career that:

- Allows you to make a meaningful difference in people's lives
- Recognizes and rewards you for your individual efforts
- Provides you personal freedom to live a more balanced life
- You can set your own income levels
- Has unlimited growth potential

Then a financial advisor career with AspenCross Financial Group may be right for you.

- A Valuable Business Partner

AspenCross Financial Group belongs to a select group of independent financial advisory and wealth management firms chosen to be members of the John Hancock Financial Network (JHFN), one of the most well-known and respected names in financial services.

- Build a Compelling Future

We believe that the best investment you can make is an investment in building a compelling future for yourself and your family. A career as a financial advisor may be the best investment you ever make.

- Training

Training to be a successful financial advisor can be very challenging, particularly early on as you work long hours to get your practice up and running. But the rewards can be tremendous. In addition to the personal satisfaction that comes from running your own business, you can enjoy an above-average income and live the lifestyle you have always envisioned.

As a financial advisor building your own business, you have many practice building options available to you. Many advisors choose to build practices in their local communities by offering their clients a broad range of financial services. Other advisors choose to focus their practices in any number of ways, including:

- Wealth & Investment Management
- Business Planning
- Retirement Planning
- Estate Planning
- Financial Planning
- Insurance / Risk Management

Is a Career as a Financial Advisor Right for You?

You don't need a financial background to enjoy a successful career as a financial advisor. What you do need is the desire to become a trusted financial advisor, the ability to listen and empathize with someone’s hopes, dreams, concerns, and the passion to be a life-long learner and problem solver. To succeed, you need an entrepreneur’s fire in the belly, combined with the ability to develop and nurture long-term relationships.

Traits of our most successful financial advisors include:

- Goal Oriented
- Entrepreneurial Spirit
- Enjoy Working with People
- Ethical & Honest
- Strong Communication Skills
- Driven to Succeed
- Professional Presence
- Self Disciplined & Motivated
- Ability to Handle Rejection

---------------------------------------------------------------------

We are strongly committed to diversity and equal opportunity.
